**Doctoral Student**

# AGENDA

## **10:00 AM - 10:20 AM**

Introduction of the distinguished panel, followed by an overview of what makes a good initial in-person/virtual interview. Special focus on interviewing in a virtual setting, without the AMA job market.

## **10:20 AM - 10:45 AM**

Thoughts from the panel on how candidates can stand out as the best candidate for the job, especially in virtual fly-outs. Experiences from the panel on what they have seen stand out amongst competition when candidates fly out to campus.

## **10:45 AM - 11:00 AM**

Q & A session for students to ask questions about job negotiations/fitting in with new faculty, etc.
